Dear Members of the Franklin Regional Retirement System,

As the election date for the third member of the board nears, I would like to thank all of the members who voted for me in the last election and all of those who voted at all. Voting is important and necessary to ensure the people of any group have representation In their best interests.

That being said, I have truly enjoyed serving on the board in my current term. I would like to continue that service for at least the next three years. I find the work interesting, important and gratifying.

I was employed by Frontier Regional School District for 33 ½ years, retiring in December of 2019. I feel that experience as Treasurer, Accounts Payable, Payroll and Insurance Officer help me to bring a different perspective to the table. I have drawn on that experience when the board has discussed many topics that have arisen.

I also served on the board from 2016 through 2018 and that experience has guided me during this term as well.

I would be honored to continue to serve as a Franklin Regional Retirement Board member and grateful for your vote. I will do my best to serve all of the members of the System by helping to make decisions to ensure a dependable and secure future for all of our members.

Thank you again for considering me as you take the time to vote.

Sincerely,

Paula Light
