RE: Nomination for Third Member on Board

Date: 1/6/2025

Hello fellow FRRS participants. In way of introduction I would like to say that over the past 35 years I have served as Town Treasurer, Mahar Regional School Treasurer, Finance Co-Director and been a member of countless Committees that have provided me the opportunity to support the financial well being of each institution.

I encourage you to vote for me to fill the open seat for Third Member of the Board. I look forward to working with the staff as they strive to provide the best investment opportunities so that all retirees, both current and future, may feel secure.

As you may know, I am related to one of the staff members. I have secured approval from the Ethics Commission allowing me to serve as a Third Member on the Board.
